## SUMMARY

Seeking a dynamic position in a leading organization where I can leverage my expertise in project management and quality assurance to drive operational excellence and innovation. Committed to contributing to the company's success and growth through effective problem-solving and strategic initiatives.

## SKILLS

Technical: **Java | HTML | CSS | JS**

Soft: Team player, Leadership abilities, Communication skills, Flexibility, Optimist, Time management.

## INTERNSHIP EXPERIENCE

### Java Full Stack Internship 2025 in Brain O Vision:

- Worked closely with experienced professionals and learned from their expertise.
- Developed full-stack web applications using Java, Spring Boot, HTML, CSS, and JavaScript.
- Worked with RESTful APIs and integrated backend services with frontend interfaces.
- Participated in code reviews and agile development sprints.
- Gained hands-on experience with MySQL, version control (Git), and deployment processes.
- Collaborated with a team to build scalable and responsive web applications.
- Received mentorship and guidance to support my personal and career growth.
- Received a 3-month internship work experience certificate.

## PROJECTS

### Employee Management System

Tools: **Java, JDBC, MySQL, Java Swing**

- Developed a desktop-based application to manage employee records (add, view, update, delete) for HR operations
- Built the GUI using Java Swing and implemented database interactions via JDBC
- Added login functionality, form validation, and modular class structure
- Ensured real-time updates and secure handling of employee data

### Personal Portfolio Website

Tools: **HTML, CSS, JavaScript**

- Designed and developed a responsive personal portfolio website to showcase skills, projects, and achievements
- Structured the site using HTML to organize content clearly and logically
- Styled the interface using CSS, ensuring mobile responsiveness and visual appeal across devices
- Added interactivity using JavaScript, enhancing user experience with dynamic content and functionality

## CERTIFICATIONS

- Microsoft “Azure AI Fundamentals”
- Microsoft “Azure Data Fundamentals”
